Central Business Registry Notification regarding Limited Partnership and Company Registration through the Electronic Business Registration System (e-Registration) B.E. 2560 (2017)

It is an intention of the Government to continually improve the environment in doing business which is one of the Thailand's 20- year National Strategy Plan. Numerous reforms have been made to improve the ease of doing business.

In order to facilitate entrepreneurs in starting business, the Department of Business Development has launched the electronic business registration system (e-Registration) which provides online services of business registration in accordance with the Government's policy to boost the business environment and will therefore improve Thailand's ranking on World Bank's Ease of Doing Business. By virtue of Article 3 paragraph 3 of the Ministerial Regulation on Establishment of Business Registry, Registrar Appointment and Rules and Procedures on Limited Partnership and Company Registration B.E. 2549 (2006), the central registrar hereby issues the notification as follows:

1. The Department of Business Development ceases to operate the prior internet registration system (Application Review System) from 1 May B.E. 2560 (2017) onwards. The registration applications being filed through the system before 1 May B.E. 2560 (2017) are to be edited according to the registrar's orders and to be printed out from the system within 31 May B.E. 2560 (2017) in order to proceed with the registration.

2. The electronic business registration system (e-Registration): limited partnership and company registration application is to be submitted through e-Registration system from 1 May B.E. 2560 (2017) onwards.

3. If there are any questions regarding the registration of limited partnership and company via the electronic business registration system (e-Registration), please contact 02-547-5995 – 98 and email: e-regis@dbd.go.th.
