

## Official Notice on Combining Procedures of Incorporation with Value-Added Tax (VAT) Registration

According to the present procedures and processes of starting a business, any entrepreneur shall submit an application form and required documents to any of the Department of Business Development (DBD) or the Office of Commercial Affairs, Ministry of Commerce for the purpose of incorporation. Subsequently, any entrepreneurs who desire to apply for VAT registration may submit regarding registration forms to the Revenue Department, Ministry of Finance (RD) for another procedure, which may cause the inconvenience in starting and operating a business.

In order to reduce the number of procedures, time and to offer more convenient services, DBD together with RD has launched a single-service platform by combining the incorporation process with VAT registration. Therefore, any entrepreneurs may simultaneously be able to incorporate a new juristic ordinary partnership, limited partnership and company limited along with applying for VAT registration by attaching “ the VAT registration form via Department of Business Development” (available at [www.dbd.go.th](http://www.dbd.go.th)) together with the application of business entity incorporation and submitting it to the DBD or the Office of Commercial Affairs nationwide. Any entrepreneurs who apply for VAT registration via DBD shall be considered as VAT registrant from the date of registration as a juristic person.

In this regard, the said service will be available on April 20, 2020 onwards.

Please be informed accordingly.
